Experience

Supertails

Jul 2023 – Present

Associate Product Manager

1. **Leading analytics and integration workstreams for Supertails' migration from Shopify and Appmaker to a proprietary CMS and native app ecosystem**, owning cross-platform event tracking, attribution, user identity continuity, experimentation, and third-party integration readiness across web, Android, and iOS.

2. Owned the technical rollout of Netcore Unbxd Search, defining integration requirements, event schemas, API tracking, and analytics validation across web and mobile platforms, enabling data-driven optimizations that **increased search-to-conversion from 13% to 29%.**

3**. Led the end-to-end technical integration of ChatGPT Ads,** implementing browser-side Pixel and server-side Conversions API (CAPI) to enable conversion tracking and campaign attribution; **contributed 0.5% of total platform revenue and 4% of user acquisition t**hrough the ChatGPT Ads channel.

4. **Led the end-to-end integration of Twilio Segment CDP SDK** across Web, Android, and iOS, defining event tracking architecture, standardized event schemas, and user identity management to enable unified customer journey tracking, reliable data collection, and seamless integration with downstream analytics and marketing platforms.

5**. Driving the technical integration of Osmos AI Retail Media Platform across web and mobile, defining sponsored ad placements, tracking requirements, and attribution frameworks to enable retail media monetization and advertising performance measurement.**

Senior Data Engineer

- **Lead Supertails' Product Data Platform** :

1. **Designed the backend customer segmentation infrastructure and a unified Pet Profile backend used in production to** evaluate customer-level business rules and drive real-time personalization, targeted CRM actions, rewards eligibility, and operational fulfilment across **website , mobile app , CRM and healthcare operations spanning 12 clinics**

2. **Leading and mentoring a team of 5+ DataAnalyst, driving execution excellence across cross team initiatives.**

Data Engineer

- Designed and built an internal **MCP-based analytics access layer** connecting AI clients to govern enterprise data, integrating **MySQL, OpenMetadata, authentication, and PII guardrails** to enable secure natural-language data discovery and analytics workflows.
- **Built Malacca, an internal data streaming platform powered by Apache Kafka,** to standardize real-time event ingestion across webhook producers, Kafka brokers, and downstream consumers [handling **5M+ events per day**] and an internal **Apache Airflow–based data orchestration platform** supporting production ETL/ELT workloads across multiple data sources and downstream systems.

Data Analyst — Growth Team

- Designed and built **Supertails' analytics database and data warehouse**, integrating data from multiple operational and third-party systems into centralized, analytics-ready datasets with standardized models, automated pipelines, and reliable data access for the analytics team and owned and led **organization-level MIS reporting.**
- **Engineered customer geospatial distribution mapping using Google Maps and OpenStreetMap APIs,** identifying high-density customer clusters to support offline clinic expansion, supply-chain planning, and location-based marketing optimization.

Supertails

Apr 2023 – Jul 2023

Data Analyst Intern

Skills

Product Management: PRDs, Roadmapping, Prioritization, Stakeholder Management, User Journeys, Release Management, UAT

Product Analytics & Growth: KPIs, Funnel Analysis, CRO, Experiment Design, A/B Testing (GrowthBook), Acquisition & Attribution

Technical Product: API/SDK Integrations, Twilio Segment CDP, Event Architecture, Identity Resolution, Platform Migration, Retail Media

Data & Tools: SQL, Python, BigQuery, GA4/Firebase, AppsFlyer, CleverTap, Looker, Tableau, Apache Kafka, Airflow, DBT, GCP, MySQL

AI & Automation: MCP Servers, LLM Integrations, AI Agents, RAG, n8n

Education

University Visvesvaraya College of Engineering — B.Tech in Civil Engineering

Bengaluru

Jul 2017 – Aug 2021
